KIDS' CORNER PLAY AREA RULES AGES 3-10

*The Dunes Kids' Corner is a supervised play area ONLY.
Parents/guardians must initially accompany children to the area.*

The Kids' Corner is not to be confused with our Children's Day Program, where the ratio of counselors to children is much higher.

Parents/guardians must be seated within eyesight of the play area for their children to attend. Our Kids' Corner supervisor is there to oversee ALL children.

By allowing their children to use the Kids' Corner, parents & guardians acknowledge that they are responsible for their children and must check in periodically with them.

*Parents cannot be outside on the deck while children are in the Kids' Corner.
Please pick up your children before leaving the dining room.*

THANK YOU FOR YOUR COOPERATION!
