

## **Winnetu Oceanside Resort/Mattakesett Rentals: Pet Friendly Home Policy**

**We do not allow pet rentals for the period below:**

**Rental weeks with starting dates between August 6 and August 25, 2017**

**Some owners allow a dog in their home. Please note this must be arranged in advance with the Reservations Staff. Any persons having dogs on site (unless an owner) will be asked to leave the property.**

**Upon booking a pet friendly home, please provide a certificate of good health from your veterinarian. This certificate will state that your pet is in good health, free from parasites and that their shots are up to date. This needs to be submitted to the Reservations Office before check in with your pet will be allowed.**

**Please note that owners who accept a dog will only accept one dog in their home per rental week.**

**There is a \$195 pet fee, which needs to be paid in advance with the home payment. This is not a refundable fee.**

### **Additional Information:**

- No aggressive dogs are permitted.**
- Keep your pet leashed at all times when outside your home.**
- Don't leave your dog alone in the room for any length of time as it may start barking.**
- Make Resort staff aware that there is a pet in the home with the door hanger (provided at check in).**
- If your pet likes to sit on the couch with you to watch TV, then put down the provided sheet or towel for it to lie on. Same applies with beds.**
- We appreciate clean paws and fur when in the home, but do not give your dog a bath inside.**
- Walk your pet often and pick up after your pet. Can you believe that some people will take their pets for a walk on the Resort grounds and not pick up after them? Doggie bags are provided.**
- Be respectful of other hotel guests. Not everyone likes pets. Keep your pet under your control and don't let them approach others without an invitation.**
