

# Winnetu Oceanside Resort Parent with Toddler Program

Spring: May 6 - 24, 2019

**Monday – Friday 9:00-10:30 AM**

Families...Join us in the Library at the Winnetu where we will have a meet and greet!  
We will then venture off to one of the many play areas or take a field trip.

**Themes during the Week (weather dependent)**

- **Turtle Time:** We will walk the children to the turtle pond, located on the Winnetu front lawn. Not only will they be able to “hunt” for the turtles, but they will have a turtle race! Yes, we will have the children wipe their hands with sanitizer after touching the turtles!
- **Catch & Release at Katama Bay:** We will travel to Katama Bay where the children will enjoy hunting for sea shells, various crabs, seaweed, and other bay creatures. Multiple nets, buckets, and shovels will be provided.
- **Fire Station Field Trip:** We will travel to the Edgartown Fire Station, located approximately 2.5 miles down Katama Road. The Edgartown Firemen will provide a tour around the museum and vehicles, and allow the children to get an up-close view!
- **Pirate Adventure:** Children will listen to a pirate story, create their very own pirate hats, then hunt for treasure at our very own pirate ship playground!
- **Fun at the Farm:** Children will travel to the Farm Institute located across the street from our Mattakesett Activity Center and learn about various types of farm animals and farming techniques.
- **Edgartown Library:** We will travel to the Edgartown Library located approximately 3 miles down Katama Road. Library staff will read a storybook to the children, then follow up with conversations and crafts related to the story.
- **Felix Neck Trip:** We will travel to Felix Neck Wild Life Sanctuary to explore Reptiles, Salt Marshes, Sea Shore Discoveries, Fresh Water Ponding, Nature Walks and Scavenger Hunts, and Insects and Indoor Options such as: exploring animals in the discovery room, saltwater tank time, etc.

Parents and children are also invited to use our outside play area located at The Activities Center. Choose from our Basketball/Tennis Court, Pirate Play Ship, and various outdoor games.
